PORT/OFFSHORE FACILITY SECURITY OFFICER

Course Guide 2027

Osprey International in partnership with South Metropolitan TAFE WA, conduct Security Officer courses that comply with International Codes and Australian legislation around Maritime Security.

PORT OFFSHORE FACILITY SECURITY OFFICER (PFSO/OFSO)
Our Port/Offshore Facility Security Officer short course is a highly sought-after program for those working in ports or facilities who aim to further their qualifications and work as designated security officers under the Maritime Transport and Offshore Facilities Security Act 2003 (MTOFSA) and accompanying Regulations.

Conducted over three days and guided by our experienced instructors, this course meets the requirements set by Chapter XI-2 of the International Convention for the Safety of Life at Sea 1974 (SOLAS) and the International Ship and Port Facility Security Code 2003 (ISPS).

The purpose of this course is to train participants as Port/Offshore Facility Security Officers which allow them to assess security of a port or facility and develop, implement and review the relevant Maritime Security Plan.

This course is strictly 100% attendance and participants will be required to complete and pass all exercises and assessments.

Following successful completion of the course, participants will receive a certificate of Port Facility Security Officer (PFSO)/Offshore Facility Security Officer (OFSO).

- ✓ Learn in a small and supportive group environment
- ✓ Access to industry experts in maritime security
- ✓ Each participant receives a hard copy manual
- ✓ Morning/afternoon tea, light lunch and refreshments included

Tailored options – we can provide fly away/onsite courses and customise dates to meet individual company needs
